WELCOME, TEACHER!

In **Hailah and Saud: The Cyber Falcons**, two Kuwaiti children and their clever falcon Shaheen earn six Power Pearls from Yadda's old mandoos. Each pearl is one simple online safety rule. This guide turns the book into six short lessons of 10 to 15 minutes each, plus an easy five day plan for a class, a club or Safer Internet Day.

THE SIX RULES

The Secret Key Pearl

Keep your passwords secret and strong.

The Stop and Think Pearl

Stop and think before you click.

The Treasure Chest Pearl

Keep your private information private.

The Falcon Eyes Pearl

People online may not be who they say they are.

The Kind Words Pearl

Be kind online, just like in real life.

The Dana Pearl

When something feels wrong, tell a trusted grown-up.

WHAT YOU NEED

- The book (story pages 8 to 27, activities 28 to 38)
- Colored pencils or crayons
- Green and red cards for SAFE or BAIT
- The Six Pearls poster from cyberkids.3li.info

GOOD TO KNOW

- Reading the whole story aloud takes about 12 minutes.
- No devices are needed. Every activity works on paper.
- Each lesson uses the story and activity pages in the book, so children can keep their copy to finish at home.

LEARNING GOALS

By the end, children can: keep passwords secret and build a strong practice password; spot the clues of a tricky message; name the private information that belongs in their treasure chest; explain that people online may pretend; choose kind words online; and name the trusted grown-ups on their Safety Rope.

A CYBER FALCONS WEEK

A simple plan for five short sessions. Each day takes 20 to 30 minutes.

DAY 1

Read the story aloud. Ask: which pearl would you want first, and why?

DAY 2

Secret Key and Stop and Think. Make practice super passwords (page 31) and play Spot the Bait (page 29).

DAY 3

Treasure Chest and Falcon Eyes. Play Treasure or Share (page 30) and the Safe or Unsafe quiz (page 36).

DAY 4

Kind Words. Write kind messages for classmates and do the crossword (page 34).

DAY 5

Safety Rope. Fill in the pledge (page 80) and hand out certificates (page 81).

TALK ABOUT IT

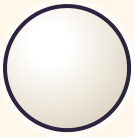

- How did Hessa know the prize was a trick?
- Why did Sparky ask Saud to keep a secret? What would you do?
- How do you think Mariam felt? How did the Kindness Wave help?
- Who are the people on your Safety Rope?

CLASS PEARL NECKLACE

Draw a big necklace on the board. After each lesson, a child adds that day's pearl. When all six shine, read the pledge together and hand out certificates.

Say it with Shaheen

**Falcon eyes, falcon wise,
We see through tricks and fake disguise!
We guard our secrets, we're kind online,
We tug the rope, and we'll be fine!**

LESSON 1 OF 6 • 10 TO 15 MINUTES

THE SECRET KEY PEARL

"KEEP YOUR PASSWORDS SECRET AND STRONG."

GOAL

Children explain who may know a password and build a strong practice password from three silly words.

1. READ

Story pages 14 to 15: a Spam Crab tricks Salem into typing his password.

2. ASK

- Who is allowed to know your password?
- Why was salem123 easy to guess?
- What would a Secret Key do for your tablet?

3. TRY

Make a Super Password (page 31). Children pick three silly words, join them and add a number or symbol. Remind them it is practice only.

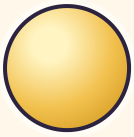

4. WRAP UP

A password is like the key to your house. Only you and your parents hold it. A child adds the pearl to the Class Pearl Necklace.

HOME LINK

Tell a grown-up at home the Secret Key rule and ask them to check that family accounts use long passwords.

LESSON 2 OF 6 • 10 TO 15 MINUTES

THE STOP AND THINK PEARL

"STOP AND THINK BEFORE YOU CLICK."

GOAL

Children spot the clues of a tricky message: a prize that is too good to be true, a hurry, a request for a password and a strange link.

1. READ

Story pages 16 to 17: Hessa almost clicks a prize message.

2. ASK

- How did Hailah know the prize was a trick?
- Why do tricksters say HURRY?
- What should you do when you are not sure?

3. TRY

Play Spot the Bait (page 29). Read each message aloud. Children hold up a green card for SAFE or a red card for BAIT and name the clue.

4. WRAP UP

If it sounds too good to be true, it is a trick. Stop, think and ask a grown-up.
A child adds the pearl to the Class Pearl Necklace.

HOME LINK

Show children a real scam text you received (with personal details hidden) and find the clues together.

LESSON 3 OF 6 • 10 TO 15 MINUTES

THE TREASURE CHEST PEARL

"KEEP YOUR PRIVATE INFORMATION PRIVATE."

GOAL

Children sort information into treasure (keep private) and things that are fine to share.

1. READ

Story pages 18 to 19: Yousef shares his address and school in a video.

2. ASK

- What did Yousef share by mistake?
- Who could see his video?
- What is your treasure?

3. TRY

Play Treasure or Share (page 30). Extension: children draw their own treasure chest and fill it with things to keep private.

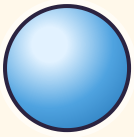

4. WRAP UP

Your full name, address, school, phone number and passwords belong in your treasure chest. A child adds the pearl to the Class Pearl Necklace.

HOME LINK

Check together which apps can see your location and turn sharing off where it is not needed.

LESSON 4 OF 6 • 10 TO 15 MINUTES

THE FALCON EYES PEARL

"PEOPLE ONLINE MAY NOT BE WHO THEY SAY THEY ARE."

GOAL

Children understand that anyone can pretend online and that a real friend never asks for secrets from family.

1. READ

Story pages 20 to 21: a new player called Sparky turns out to be Phishy Fox.

2. ASK

- Why did Sparky want Saud to keep a secret?
- How did Shaheen see the truth?
- What should Saud do next?

3. TRY

Role play: a real friend or a stranger? Read short chat lines and children decide. Then do the Safe or Unsafe quiz (page 36).

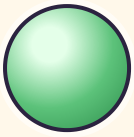

4. WRAP UP

A real friend never asks you to keep secrets from your family. A child adds the pearl to the Class Pearl Necklace.

HOME LINK

Play one of your child's games together and ask who they talk to in it.

LESSON 5 OF 6 • 10 TO 15 MINUTES

THE KIND WORDS PEARL

"Be kind online, just like in real life."

GOAL

Children recognize unkind messages, describe how they feel and practice kind replies.

1. READ

Story pages 22 to 23: a mean joke about Mariam is shared in the class chat.

2. ASK

- How do you think Mariam felt?
- What could the class have done instead of sharing?
- How did the Kindness Wave help?

3. TRY

Kindness Wave: each child writes one kind message on a paper wave for a classmate. Finish with the crossword (page 34).

4. WRAP UP

Words we write online can stay forever. Choose kind ones, and do not share mean ones. A child adds the pearl to the Class Pearl Necklace.

HOME LINK

Ask: has anyone ever been unkind to you online? Make sure your child knows they can always tell you.

LESSON 6 OF 6 • 10 TO 15 MINUTES

THE DANA PEARL

"WHEN SOMETHING FEELS WRONG, TELL A TRUSTED GROWN-UP!"

GOAL

Children name their trusted grown-ups and know that telling never gets them in trouble.

1. READ

Story pages 24 to 27: the family pulls the golden rope together and the Dana Pearl shines.

2. ASK

- Why did pearl divers never dive alone?
- Who held the rope for Hailah and Saud?
- Who is on your Safety Rope?

3. TRY

Children draw a rope with three trusted grown-ups on it, then sign the Cyber Falcon Pledge (page 80). Hand out certificates (page 81).

4. WRAP UP

Telling a grown-up is brave. It is how the Cyber Falcons win. A child adds the pearl to the Class Pearl Necklace.

HOME LINK

Promise your child: telling me will never get you in trouble.
